

# HOW TO ORDER CUSTOMIZED CALENDARS: Step by Step view.

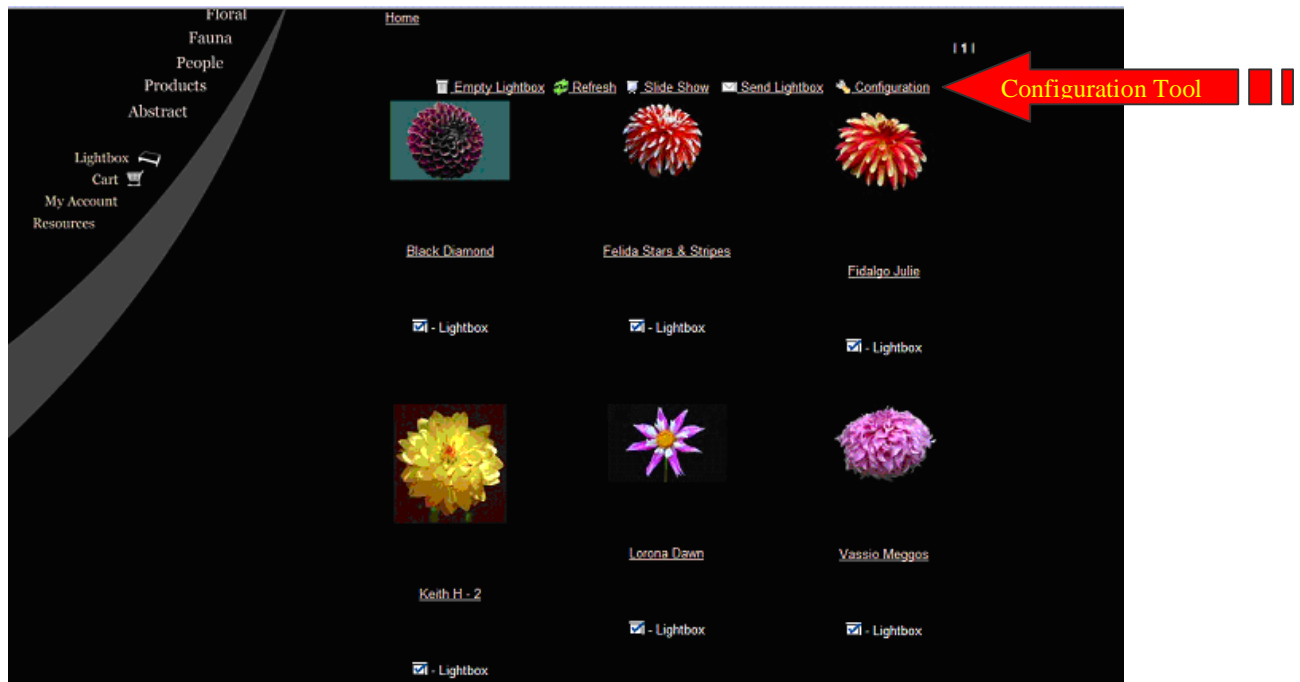

## Method 1: Using your Lightbox (see Menu at Left on Site's HomePage)

- Merely select 14 photos by placing them in your Lightbox (landscape / horizontal orientation photos only\*\*): 1 for the front cover, 1 for the back cover, and 12 for the months

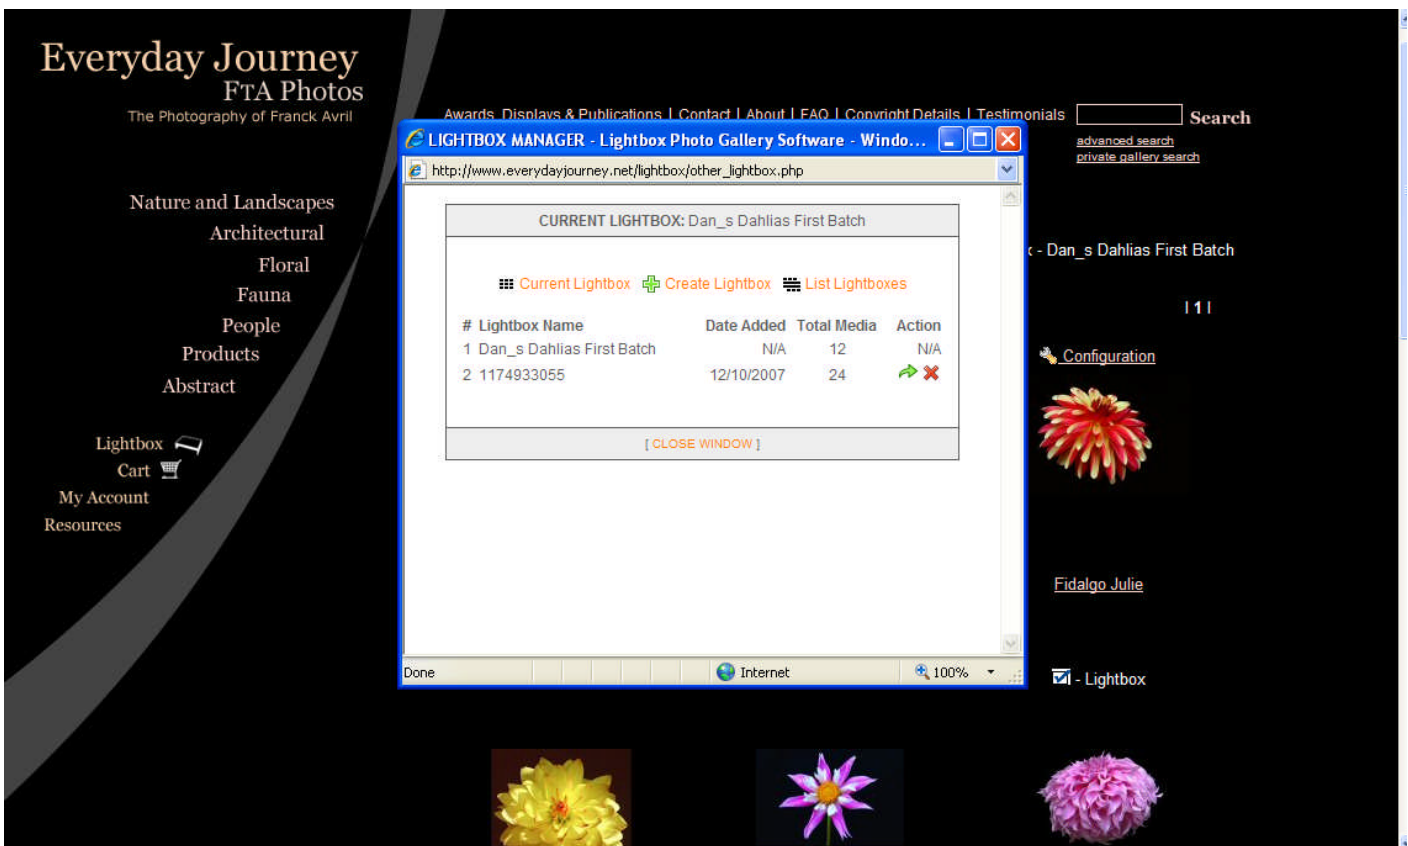

**Please use ONE Separate Lightbox per each Differently Customized calendar, by using the CONFIGURATION tool within the Lightbox settings ...**

***N.B.* Multiple Lightboxes are a feature available only to *registered* users on this site. Registration is free and confidential – we never reveal, trade, sell, nor exchange registration information. Registered users can create more than one independent Lightbox and have the added capability to rename them for ease of later access (and sharing). Just click on “My Account” to become a registered user.**

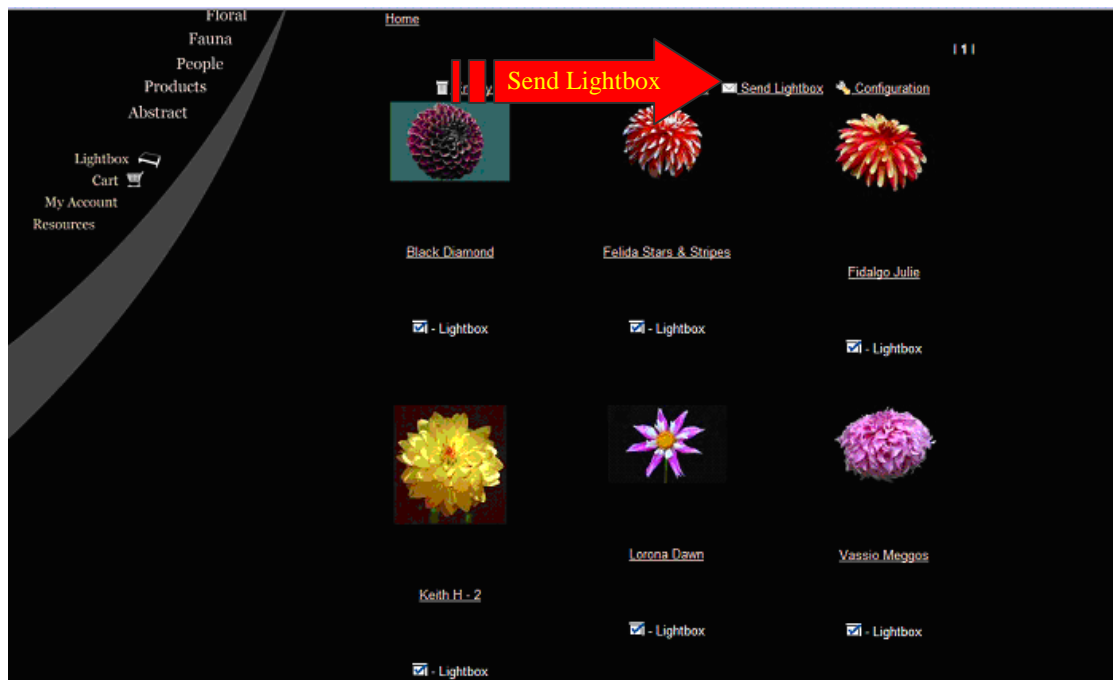

**Example of Lightbox Manager Window, to create multiple lightboxes, once registered.**

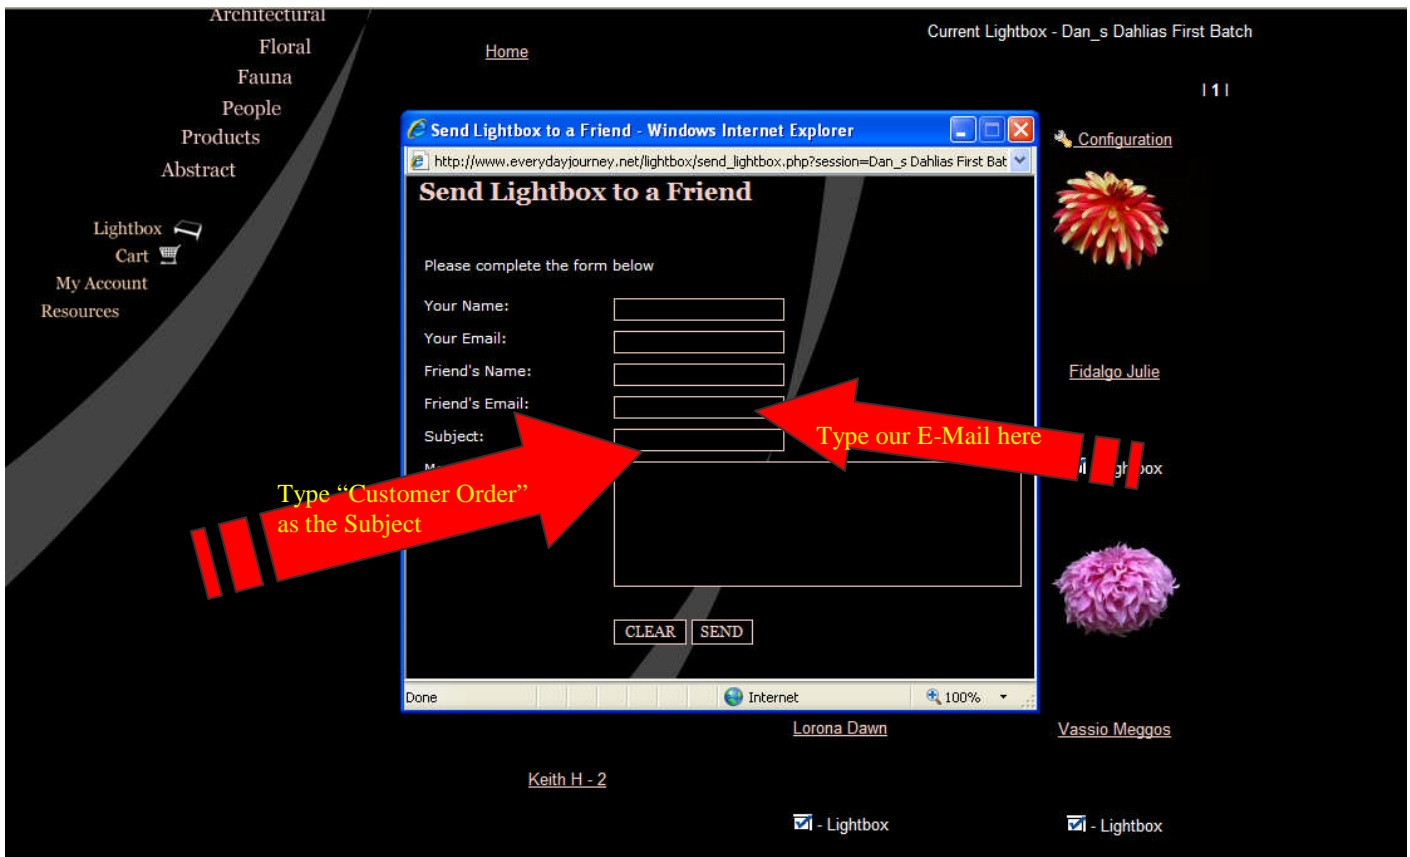

- **To send us your selections, just treat us the same as one your friends (to whom you can also send any of your selections):**

**Click on “SEND LIGHTBOX” ...**

... and put **our** e-mail address as the “Friend’s E-Mail” ([ftaphotos@speakeasy.net](mailto:ftaphotos@speakeasy.net))  
 You can put ‘Calendar Order’ or ‘Customer Order’ as the Subject. *Note: you may have to pause your pop-up or ad blocker if the “Send Lightbox to a Friend” frame does not appear. **READ ON BEFORE SENDING !!!***

In the Message text box, indicate the following to us:

- The dimensions of your calendar order (11 x 17 or 8½ x 11)
- Quantity of each calendar that you want (*see prices, below*)
- Up to 15 personalized dates that we can add to your calendar
- Any special (short) phrase which you would like added on the cover, such as the name of a Group or Society (we can accept logos, too).
- Address (and phone number if you wish) where we should contact you and where to mail finished calendars
- Any special instructions, time deadlines, etc.

*Note: We have decided to only spiral-bind our calendars at the top, to allow you to have all the photos available for any future display or framing, without any imprints on them of anything which you might have written on the calendar itself. Photos are of frame-able quality, and we hope that you enjoy them always in the future.*

- “SEND” to us and we will process your order ! (We will be in-contact with you with a final price, since we charge only actual Shipping, based on dimensions of the package and your ship-to location).
- DO NOT INCLUDE ANY CREDIT CARD NUMBERS IN YOUR MESSAGE !

For ordering our already-made Calendar, merely order it using our Products Section, as usual, but you may send us a message as well, asking for date-customization of our ready-made calendar, just as in the fully-customizeable version (Anniversaries, for ex.)

Examples of Some of Last Year's Requested Customized Calendars (click Ins. above): below our new Ready-Made 2008 Dahlia Calendar (can be customized as well)

**\*\*Note: in special cases, we will consider doing a vertical calendar with only a date-number array (rather than squares that one can write in), using vertically-shot photographs. Please contact us with such request(s) – and example of one such customized vertical calendar can be found in our Calendar section of this site.**
